

An update on some minor changes to the Website Menu and login

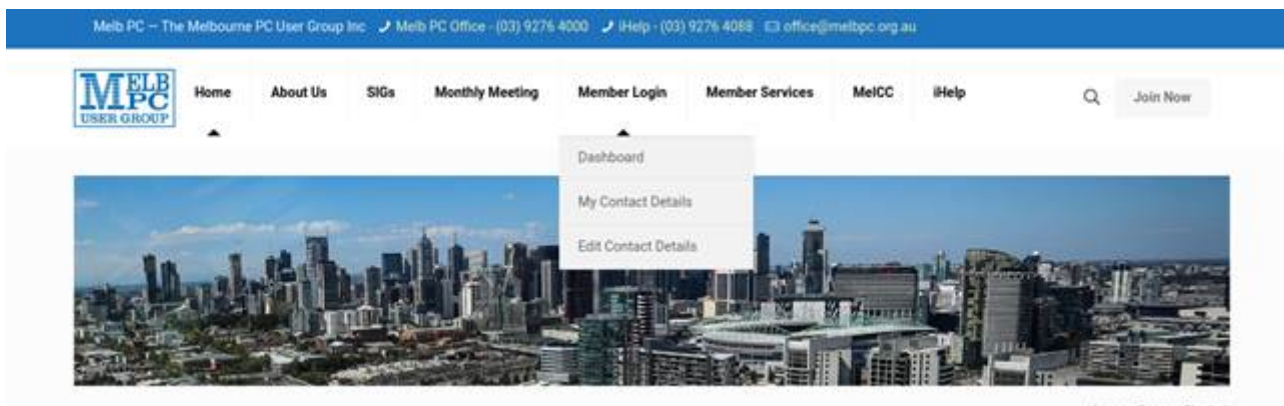

Rob Brown

Some small changes have been rolled out to the melbpc.org.au website to improve the user experience for new visitors to the site.

The changes are around the top menu which currently looks like this

and

Following the changes Member Login and Member Services are combined into one menu item and it will look like this when you “mouse over” it:

Home

You will be able to access all previous pages from the revised menu items.

A button will also be added under “Quick Links” to access the Event Calendar with one click.
