

## Melbourne PC User Group 2014 Committee Elections

The Committee Nominations were received by 4 pm on Friday October 2, 2015.

At the Close of Nominations there was only one candidate for the position of Secretary and no election will be required for this position.

There was more than one nomination for the positions of President and Treasurer and an election will be held for each of these positions. There was no nomination for Vice-President. For the President and Treasurer positions the orders on the ballot paper were drawn by lot.

President	John Bade Gary Taig
Vice-President	
Treasurer	Ian Rankin Jim Hanna
Secretary	Geoffrey Keenan

There were six candidates for the eight places available for general committee. Two of them have nominated for an Executive position. If they are both successful, there will be four people elected to general committee otherwise there will be five. Whatever the outcome of the elections for President and Treasurer no election will be required for general committee.

I would like to thank all the candidates for their participation. It is disappointing to see we did not have enough nominations to fill the committee positions. I hope some members will offer to fill those positions or to help on the sub-committees.
